DRAWING Topic - PENCIL SHADING AND LIGHT AND SHADES

Work to be done : Complete page 4 and page 5
as per instruction given in your drawing book.

PENCIL SHADING

When light falls on an object from an angle, the comparative lightness and darkness produces shades.

Use a pencil : Use a colour pencil

LIGHT TONE : Press the pencil very gently.

MEDIUM TONE : Press the pencil slightly harder or use a 2B pencil.

DARK : Apply more pressure on the pencil or use a 4B pencil.

BLENDING: Merge dark tones with light tones by using 4B and 2B pencils.
