<p><b>DRAWING</b></p>	<p><b>PAPER COLLAGE</b>  Work to be done : <b>Complete page 37</b>  as per instruction given in your drawing book.</p>

**PAPER COLLAGE**

The process of this technique starts with the collection of coloured printed papers from old magazines and newspapers. These are then torn into smaller pieces according to the requirement of the picture and pasted on the outline of the picture according to the colour scheme.

What are you waiting for ?  
Since you have already learnt the paper collage technique, complete the picture of the under given composition.
